

SENTENCE FLUENCY

Rockin' writers vary their sentences to create effective sentence fluency.

TRY VARYING SENTENCE:

Length

Structure

Beginnings

HINT: Try reading your work aloud to see how the sentences flow.

INSTEAD OF THIS:

"I like One Direction. I went to their concert. I have three of their T-shirts."

TRY THIS:

"My favorite band is One Direction. Last summer, my best friend and I went to their concert when they came to my city. I used my allowance to buy a souvenir T-shirt."
