

VOICE

Rockin' writers use voice to bring emotion, personality, and mood to their writing.

VOICE INCLUDES:

Word choice

Tone

Attitude

Personality

HINT: Your writing doesn't have to be formal or stiff. It should sound like how you speak! (Just be sure to use correct grammar and conventions.)

INSTEAD OF THIS:

"I liked Andy's musical performance last night. He must spend a lot of time practicing."

TRY THIS:

"Andy rocked his drum solo last night. All of his practice has paid off."
